

THE CLOUD-BASED BUSINESS PHONE

# Business Phone Systems

A professional, cloud-based phone system that will get your team working smarter - both in and out of the office.

**€45** per seat, per month

What's included:

**UNLIMITED** calls to French landlines and mobiles

**UNLIMITED** calls to over 60 countries

## Flexible, scalable and built to your needs

### Enables flexible working

Your business will become more efficient by enabling flexible work environments through home working and mobile devices.

### A scalable service with no hidden costs

As the system is hosted in the cloud, you only pay for what you need on a per-user basis. There is no need for major on-premise hardware investment.

### Easy set-up

It's simple to set-up your system. Your phones will be delivered within four working days. They arrive pre-configured, ready to use. Just plug in to an Ethernet socket and start making calls.
