

THE CLOUD-BASED BUSINESS PHONE

Business Phone Systems

A professional, cloud-based phone system that will get your team working smarter - both in and out of the office.

€40 per seat, per month

What's included:

UNLIMITED calls to Irish landlines

Calls to Irish mobiles - **8¢**

UNLIMITED calls to over 60 countries

Flexible, scalable and built to your needs

Enables flexible working

Your business will become more efficient by enabling flexible work environments through home working and mobile devices.

A scalable service with no hidden costs

As the system is hosted in the cloud, you only pay for what you need on a per-user basis. There is no need for major on-premise hardware investment.

Easy set-up

It's simple to set-up your system. Your phones will be delivered within four working days. They arrive pre-configured, ready to use. Just plug in to an Ethernet socket and start making calls.
